Not Another Dime for Trump's War on Iran

The death toll is horrific. American service members, and thousands of civilians, including at least 175 children, have died in this war. Over \$2 billion per day is being spent, and more funds are expected to be requested to fund Trump's illegal war of choice on Iran.

CFPA advocates for **Diplomacy, not war with Iran**. See Rally recording, photos, and extensive news coverage by clicking the Recent Activities tab at peacecoalition.org.

TAKE ACTION TODAY!

Many of our supporters have taken action to push back on Congress to do their job and stop funding this costly war. Thank you!

If you haven't already, you can do your part to voice your objection to the war, and the Trump Administration's reckless spending for it, by **contacting Congress TODAY!**

CFPA's Peace Voter 2026 Campaign is Launched!

Beginning in February, **CFPA's Peace Voter 2026 Campaign** kicked off with a delegation of CFPA's experts and organizational leaders conducting Candidate Briefings with candidates in key NJ and PA races. As the first phase of the campaign, five briefings have been completed to-date, and two more are in the works. Following up on that, the Candidates will be sent questionnaires relating to issues on which CFPA's delegation briefed them: nuclear weapons, war and peace, climate, and gun safety. The final phase will be Peace Voter Guides produced from the questionnaire responses.
